

Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Sunday 22 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Scattered showers and sunny spells.

Today:
A largely dry but rather cloudy start will see scattered showers and sunny spells develop through the morning, with some showers possibly turning heavy for the afternoon. Feeling muggy. Maximum temperature 21 deg C (70 deg F).

Tonight:
A few daytime showers linger into the evening but soon fade away to leave a dry night with clear spells. Minimum temperature 12 deg C (54 deg F).

Monday:
A fine, dry and sunny for most. A little cloud will develop into the afternoon with the outside chance for the odd light shower over the Cumbrian fells. Feeling warmer. Maximum temperature 23 deg C (73 deg F).

Outlook for Tuesday to Thursday:
Fine and dry weather for the following few days, with prolonged spells of sunshine where it will feel very warm.
